

Parking Permit—Business

Business parking permits are available for business owners on Estero Island. These permits are intended for the business owner’s use and are not intended for employees.

Each parking decal is **vehicle-specific** and must be properly affixed to the **bottom corner of the passenger side of the front windshield**. If your vehicle receives a new license plate during the duration of the permit, contact **239-463-5888** or visit Town Hall to update the information. Vehicles with mismatched permit information and license plates are subject to ticketing. All outstanding parking violations must be paid before a permit can be issued.

Cost: \$100.00 per year (tax included). Permits are valid for **one year** from the date of purchase. Replacement decals for lost or stolen permits cost **\$5.00**.

Requirements:

1. Valid vehicle registration in your name, presented at **each new permit or renewal**.
2. Proof of business ownership on Estero Island, such as business license or ownership documents.
3. Valid driver’s license or government-issued photo ID.
4. **All outstanding parking violations must be paid before a permit can be issued.**

Limits: Each business may receive a **maximum of two** parking permits. **Each vehicle must be registered separately.**

Enforcement: Violators of permit regulations will be ticketed, not towed, unless the infraction creates a safety hazard or obstruction. A decal not properly affixed to the windshield will result in a violation. **All vehicles must be parked in legal parking spaces**, following direction-of-parking restrictions. Expired permits are invalid and subject to parking violations.

Area of Use: **Your parking pass is now valid at all Town of Fort Myers Beach parking spaces.** Look for the blue parking signs featuring the Town’s logo — these mark official Town-managed parking areas.

Excluded Areas: **All Lee County properties (Lynn Hall Park, Crescent Beach Park, and Bowditch Park).** Parking fees in excluded areas are not covered by the permit, and violations may be issued if unpaid.

Additional Rules: Beach access spaces are intended for visiting the beach only, not for employment or other purposes. **No overnight parking is allowed in any Town parking space between 4:00 AM and 6:00 AM.** Abuse of permit regulations may result in revocation of the decal by the Town of Fort Myers Beach.
