

CALLING ALL ISLANDERS - In October, some members of the Town's advisory committees and boards have terms which will expire. There are no term limits, so members of the committees may request reappointment by submitting a letter of interest on or before September 1, 2015.

In addition, the Town Council encourages all islanders to get involved and welcomes new insight and fresh ideas. Areas of consideration for the various committees and boards include the Matanzas Harbour Mooring Field, Bay Oaks Recreational Campus, Mound House, and Newton Park. Our advisory committees also seek to enhance the quality of life on Fort Myers Beach by creating a vision for our community, promoting stewardship of our marine community, and furthering the welfare of islanders by helping to promote a better, more positive community environment and to ensure that the unique, natural characteristics of the island are preserved.

There are twenty-five seats collectively on the various committees and boards, so if you're thinking about getting involved in our Town, please submit a letter of interest with a brief summary of qualifications to the Town Council in care of the Town Clerk, on or before Friday September 18, 2015 for consideration at the October 5, 2015 Town Council Meeting. Please indicate on which committee you are most interested in serving. For more information visit our website at www.fortmyersbeachfl.gov or inquire at the Clerk's office, (239) 765-0202.
